

This is your brother's New # 412-390-5110  
All you gotta do is contact the lawyer. My  
lawyer told you about, once you get him on your  
case I will do that, what you wanted me to do  
all you will have left is a fleeing and eluding  
charge or something you got time in on your bit  
for parole then you will be able to get out. When  
you get this new lawyer I need you to write a  
statement to my lawyer saying what happened that  
you dropped me off before what happened then  
we will both be good. We have to get on this, it  
not this will be a white I promise you, stop letting  
these people get to you. They can't do nothing to  
you, if they were you would've been charged.  
Contact that lawyer so we can make that shake  
That lawyer is Irony or Arony if you can reach  
him call my lawyer, he said he can't answer  
collect but you can call 3 way him or use the  
Coonsler's phone.
